Who are we? ...

We are one of the longest established motorcycle clubs in New Zealand, incorporated in 1920. We are affiliated to Motorcycling NZ, our members qualify for MNZ Competition Licences.

What we do ...

Our Aims and Objectives are to promote motorcycling for the good of motorcycling. We organise a wide variety of events, both on and off-road, and social. We cater for any events our club members desire, our strengths today are in Road Riding, Road Racing, Hill Climbs, and Moto Trials. Our informative newsletter is published monthly.

When & where we do it

General meeting nights are held on the first Thursday of each month, at our licenced club rooms, 149 Seddon Road, Hamilton. Each month we will usually have special bikes on display, and in summer months we sometimes have short road rides ending back at the club rooms. The Club nights kick off at 7.30pm.
