## **Prez Report December 2016**

Well that's another year just about done and dusted, I hope its been a good one for members. From the clubs point of view it certainly been another busy and successful year with the club hosting a large number of well supported events across a range of disciplines and strong support for club nights across the year. At a time when many clubs are struggling to maintain membership its heartening to see the strength within our club.

One of the financially successful events for the club during the year was the Putoline winter road race series which returned a strong profit to the club. The committee has distributed a portion of this through assistance to 8 young riders competing in the 2017 NZ road race championships and donating \$3,000.00 to Dillon Telfords campaign to race in the

2017 Italian CEV Superbike championship. Dillion also ran a fundraiser at the club a couple of weeks ago which was well supported and a great night.

Coming up in December the month kicks off with club night on the 1st which will see our popular Lichensteinian member Horst Saiger attending. Hosrt is back to try and regain the Suzuki Series title in won in 2014 from last years winner Sloan Frost, fellow club member Tony Rees will be making that very difficult though and be looking to go one better than his runner up position in 2015. The series kicks off at Taupo on 4 December followed by Manfeild on 11 December before finishing at the legendary Cemetery Circuit on Boxing Day. Multi Isle of Man winner Michael Dunlop will be riding the final 2 events which combined with record entries across all classes makes this a must see series. To all the club members competing this year good luck and do

Also coming up this month is the road riders Christmas dinner at Raglan, don't miss this great event details are later in the mag. To all members who'll be getting out and enjoying the summer road riding conditions keep safe out there.

See you all at club night.

Good turnout at Raglan for our Annual Fish'n;chip run. The Pub proved popular, but the fish'n;chip shop across the road was quicker, and very very good too.

## ROAD RIDERS XMAS DINNER RIDE Thursday 8th December

For those road riders interested in a more upmarket experience, we are heading to the Wharf Kitchen & Bar, at the wharf. (duh)

Meet there around 7pm. Come on your bike, and take a clear visor, you will be riding home in the dark!

## 2016 Suzuki Tri-Series

A man who has been described as the "best motorcycle street racer in the world" will be coming to New Zealand for the first time later this year.

The world-renowned Cemetery Circuit races, around the closed-off public streets of Whanganui each Boxing Day, will this year feature the rider who has for a number of years been setting alight the equally-famous Isle of Man race circuit, Northern Irishman Michael Dunlop.

The 27-year-old Dunlop is the latest in a long line of exciting, headline-grabbing athletes who have been drawn to the tricky Cemetery Circuit in recent years, with Britain's Guy Martin, Liechtenstein rider Horst Saiger and British women's champion Maria Costello just a few of the other star attractions that Cemetery Circuit organiser Allan 'Flea' Willacy has managed to entice to New Zealand in recent years.

## OFFICIAL PRESS RELEASE

**Monday, November 21, 2016**

### **Riders Primed for Suzuki Series**

The annual Suzuki Series kicks off at Taupo on December 4 and the 2016 edition is packed with International riders ready to take on New Zealand's best motorcycle racers.

The Suzuki Series is spread over three quick-fire rounds during December at Taupo, Manfeild and Wanganui, and is the richest international motorcycle series in New Zealand with \$36,550 series prizemoney.

With 13 Isle of Man TT wins the headline rider is Michael Dunlop of Northern Ireland, who is also the fastest man ever around the unforgiving road course. Dunlop, 27, set his scorching lap record of 215.591kmh (133.962 mph - average speed) during the Senior TT on June 10.

Dunlop is racing at Manfeild and at Whanganui for the very first time and will expect to be amongst the leading group on a Suzuki GSXR1000 superbike, so it'll be interesting to see if he can make history down-under around the legendary Cemetery Circuit?

2016 is the third appearance for Liechtenstein resident Horst Saiger, who won the 2014 Suzuki Series on debut aboard the Red Devil Racing Kawasaki ZX-10R. The 45 year old has extensive road circuit experience around the globe on tracks including the Isle of Man where he lapped at 204.39kmh (127mph) earlier this year, the North West 200, and at Macau. Last year Saiger and kiwi Sloan Frost entered the final round at Whanganui equal on points, but it was Frost who won the Suzuki Series, from Tony Rees, with Saiger third.

Defending Suzuki Series and 2016 NZ Superbike champion Sloan Frost starts as favourite kiwi and will

be keen to keep the international stars behind his Fujitsu TSS Red Baron Suzuki NZ GSXR1000.

After dominating Whanganui last year with three wins from three starts, 49 year old veteran Tony Rees must be considered another series favourite on his Honda Rider Insurance CBR1000RR. The Whakatane rider entered legend status by taking his sixth Robert Holden Memorial feature win last Boxing Day - his first victory coming 26 years ago in 1990. With sons Damon and Mitchell, Tony Rees won the Motul 6 hour at Hampton Downs in October. Tony will go up against Mitchell in the F1 superbike class for the first time, while Damon remains in the F2 600 category on his Honda Rider Insurance CBR600RR. He was second on the same bike in last year's Suzuki Series.

Our leading F2 600 racers had better watch out for James Flitcroft, of Spain, who will race a Honda CBR600RR. Flitcroft rode the Tony Stanwell SBR Norton at Hampton Downs during the Shorai Batteries Post Classic International in October and was nearly as fast as the leading F1 machines!

UK-based multi-sidecar world champion Tim Reeves was the star of the 2015 Suzuki Series and this year John Holden makes his first trip to NZ to try his luck. Holden is an experienced sidecar racer from the UK and is a two-time winner of the Isle of Man Sidecar TT where he tasted the winners champagne in 2011, and then again last year, lapping at a speedy 184kmh (114.282mph)!

The 2016 Suzuki Series also includes several support categories with F3, Post Classic, Supermoto and BEARS riders all vying for top honours.

## HMCC ROAD RACING GRANTS

Due to the success of our recent Winter Series, the Club has decided to return some of the funds back to our up and coming younger riders.

We decided on a figure of \$6000 this year, and found that Dylan Telford's ambitious European season was well deserving of club support. As shown on the cover, we have provided him with a Grant of \$3000.

The remaining \$3000 we decided to split amongst our younger competitors competing in the NZ Superbike Nationals over this summer.

The following 8 riders have been chosen, and will receive a grant of \$375.00 each. Keep an eye out for them in the results, or get to whichever rounds you can and cheer them on!

## Telford Team Fundraiser

The team & I would like to say huge thank you to all who attended the auction fundraiser on Saturday night, your support & donations are a huge help to making our 2017 Italian championship season a great one, your all part of this team and we can't thank you enough.

We had some fantastic products up for grabs & thanks to our fabulous HMCC president come auctioneer Shane Lawrey for his support and the use of the club house.

We all had great night, a special thanks to Hugh Anderson for his wisdom & support, Bruce, Michelle & Jo for their continued support & help to gather products & help to run the event.

To Angela (Jo's Mum) for the use of her lounge floor for the past month, as a storage for all the gifts, not to mention again everyone who came along & everyone who donated products & vouchers!!

Special thanks to the HMCC club for donating \$3000, that along with the nights auction & donations we raised just over \$10,000.

This is a huge step towards our seasons expenses..

If you would like to donate, you can do so by jumping onto our give a little page, [www.givealittle.co.nz/cause/dillonracingeurope](http://www.givealittle.co.nz/cause/dillonracingeurope)

Special mention of this guy, shaking hands with Hugh.

Hugh had donated this trophy, that he won in Japan in 1991, with the proceeds to the team fund. JT here was the top bidder at \$630, and he immediately gave it back to Hugh as he felt it should stay with the man who earned it. Good one JT! Legend!

## Shorai Report from Flick

Firstly I would like to thank everyone at Team SBR Norton for the once in a lifetime opportunity to represent their team at this year's Shorai International, it was a privilege and honour to work with such professionalism and dedication.

The feeling of riding the painstakingly prepared SBR Norton 750 classic bike is indescribably unique, having the feeling and handling of a GP 125 modern, yet the speed of a GP 250 and torque of a modern 600.

We proved that our package as a team was very strong as we entered the pre 82 class on board the pre 72 machine, this was to showcase the true potential of the bike and to provide us with data when pushing it's limits. Our success was shown with an overall P3 in the pre 82 class and highly respectable lap times.

It's amazing to see what the small independent team from Hamilton have created from their base in a small household double garage, and a real eye opener to see the amount of hard work and effort put into their project.

The team have some very exciting news, stating that in 2017 they have planned and booked to compete against some of the best Classic motorcycles the world has to offer, this will take place in the UK at several highly recognised events, and also stated that they have advertising space available for interested parties.

Again I would like to thank the team, Jared Love, the event organisers and everyone who came to support.

See you all soon.

James Flitcroft. #Flick17

## Hamilton MCC to host Taupo Round Feb 25-26

That's right, we are stepping up, and will be providing the organisation and personnel to run this round next year.

We need a quite a number of volunteers to fill the various roles, and will be looking to club members to provide the help.

As usual, travel expenses and bunk accomodation will be provided.

We will need help Saturday AND Sunday. But don't worry if you can't commit to both days, we have set up a roster so you can offer help for any one day if that is all you can manage.

This is a huge national event, so lets all get involved to make it a success!

If you wish to pick any of these positions, get your name down quick as some jobs are more popular than others!

Race Secretary (x2)

Machine Examiner (x2)

Starter (x1 each day)

Grid Marshall (x2 each day)

Pit Exit (x2 each day)

Chief Marshall

Radio Marshall (located in Race Control to monitor Marshall Communication)
