## Prez Report September 2016

Calling all volunteers your help is needed, round 2 of the 2016 Putoline WRRS is coming up on 11 September and once again if you can help out it will be much appreciated. Not only will you receive a famed Mark Hatton gourmet food pack, a \$50 fuel voucher we'll also provide accommodation at the track on Saturday night if you require it. If you can help out contact Ray Cox or Tim Hedges and let them know. One thing we've lacked at previous meetings is a commentator so if you fancy yourself as a bit of a Murray Walker let me know and we'll utilise your dulcet tones.

A big thanks to Jared Love for taking the stage at last month's meeting and regaling all with tales of travelling the world on a \$1.24 budget, it was certainly an interesting tale. This month we have

Scott the organiser of the upcoming Gentlemen's Ride giving an overview of the event. There is a poster with details later in the magazine and I'm sure there will be good support from the club for this worthwhile event.

Other club events for September are: Road riders are off to Kerosene Creek on 24 September and the trials riders have rounds 5 & 6 of the BBM Air-cooled series on the 4th and 25th of the month.

In recognition of the upcoming road racing we'll be having a race bike display on club night so if you have one to show bring it along.

See you on club night.

### NEXT CLUB NIGHT

**1st September**

Doors open 7.30pm

**September display bikes:**

Race bikes and more race bikes

Bring 'em down for show; only 10 days until round 2 of the HMCC winter series - Taupo

## Road Riders - Kerosene Creek - Sunday 24 Sept

A great South Waikato ride to a great dip (if you want). Leave BP Tristram 10:00 a.m.

### Marshal request - Round 2 @ Taupo on 11 September

I don't know whether we'll have enough marshals or not ... yet. Such is life in the amateur and volunteer racing scene. Can you please confirm asap whether you: Will be a track marshal for round 2 ? 2. If so, do you want to stay in the free at-the-track penthouse-like accommodation on Saturday night ?

HMCC provide lunch/water on Sunday and travel costs (\$50). Be at the track by 8:00 a.m. Track marshals briefing at 8:30 a.m.

Any questions, talk to me or Tim Hedges on Club Night this Thursday or ring/text me ... provide a phone no. and I'll phone you. Ray Cox 022 3400118

### Swap meet - 16 October - the Bike Show-off

No competition, no awards - just the fun of show off club members ordinary bikes, the restorations, the glitzy chrome, the bobber or cruiser you never bring on rides.

If you know anyone who wants to show off, tell them to bring their bike on down.

## August @ the clubrooms - bikes 'n folks

Sharon chatting with Life Member Trevor Rose.

Our best wishes go out to Sharon and her son for his medical treatment.

Some of the Royal Enfield range was there, courtesy of Boyds Motorcycles : the Continental GT Cafe Racer and the Classic 500. Go to the showrooms and see the Classic 350 and the Bullet 500 as well.

If you come down to the clubrooms, you can see club members. They are not for sale, but you can buy a drink and talk to them.

# Trials - HMCC Championship Round 3

Hello Everyone, results from yesterdays trial at Long View Farm, Te Miro. Thanks to Jim (who liaised with the owners too), Steve, Robbie and Tom for setting and Tony for the last minute call up to Admin duties. Great new property which the owners are happy for us to have more access to. Many thanks to Willie McKnight, the Farm Manager. .... and a big thanks to the section pullers!!

A pretty good turnout of hardy souls for such a gnarly day. All we were missing was a little snow. It was a very wet, very windy day in the hills above Te Miro, but the 18 riders who braved the elements were able to see the potential of this new property.

With a rocky stream that rises steeply in places there was plenty of options for the setters. Scores were high and mud was the winner on the day.

See Tony's photos at Trials Photo's Sunday 31st July and a few on the next pages.

ABOVE: Kevin ter Steege tackles more waterfalls. Great property even after heavy rain.

BELOW: Robbie Bennet takes a judicious dab. Those are very big wet rocks

ABOVE: Kevin Gundry makes good progress in the swollen stream. Check out the view.

ABOVE: Steve Armistead thinks this is just like the Scottish 6 day, but it will have to drop 10 degrees first!

## Road Riders Coromandel ride: 20-21 August

Yeah, some good weather finally! Looking good at BP ... fill up, see who turns up: a small group consisting of Kev H on the Bandit, Steve P on the Hornet, Steve S on the Sprint, Mark H on the Kraut, Doug on a Sprint, Peter & Maureen over from Waihi, and myself on the 'Storm. Wait for stragglers. No stragglers, let's go. Meet up with Bob & Rose from Auckland, and Pete from Thames way on his good ol' Triumph at Kopu. A good blat over the Kopu – Hikua.

A few days before the meteorologists were suggesting that the south easterly that was taking rain to the north of Auckland would kiss the east coast of the Coromandel Peninsula. And it did. A wee bit starting around Tairua and made for damp roads to lunch at Coroglen. The rest of everywhere around the Waikato stayed pretty fine I hear.

BELOW: Have a break at Kuaotunu

A lot of rally car and fans were hanging around Coroglen for the rally of NZ coming from the north. Some fan must've been testing how strong the sump was against the local backroads coz the road north from Coroglen had a steady string of oil pools for quite a way north on wet roads – but no more rain. That was good, and Kuaotunu's always a great stop off point before the last corners to Coromandel. The last uphill climb, the tight twisties, was dry enough to throw the bike around a bit. Steve P was testing out a new bike mounted video camera and followed me up the hill ... be interesting to see the results.

Celebrated with a couple of beers at The Peppertree on arrival and then the day trippers, Mark, Doug & Pete, headed for home. We said hello to Pat at Pat's Place, parked up and unloaded the bikes. This year we decided to do dinner up at the Top Pub, rather than Pat's outdoor kitchen, and watched the Abs thump Oz in the rugby.

RIGHT: Lunch at Coroglen

We could spread out at Pat's Place and I threw my stuff on one of the empty beds.. Woke in the middle of the night wanting to get something out of tank bag. Found my way there in the dark only to find the zip felt remarkably like a nose, a nose that moved in a startled way, a nose that, when eyes were accustomed to the faint light, was connected to a Steve S face ! I had nightmares the rest of the night. Just glad he's not a punch first ask questions later kinda guy lol

Well, we survived the night and, following the not-cook-for-ourselves philosophy, had a sumptuous breakfast at Umu. Took our time as a light rain came over the hills; rain-clouds to the east, blue skies to the west. Headed south around mid-morning and the road had unpredictable wet patches going down the coast road. Completely dry as we got closer to Thames and scattered on our different ways home. I dropped in on my son & his partner and their 10 day old son, Mason; my fourth grandchild. Very cool. RayC

## PRESS RELEASE

On Sunday September 25th 2016, streets across the world will be abuzz with finely dressed gentlemen upon their classic and vintage style motorcycles, united in their support of men's health. 'The Distinguished Gentleman's Ride', the world's greatest motorcycling charity event, shines a light upon the bikes, fashion and ideals of a bygone era, all for a good cause.

The Distinguished Gentleman's Ride was founded in 2012 by Mark Hawwa in Sydney, Australia after being inspired by a photo of Mad Men's Don Draper astride a classic bike, wearing his finest suit. It was decided a themed ride would be a great way to combat the often-negative stereotype of men on motorcycles, whilst connecting niche motorcycle communities together. That first ride brought together over 2,500 riders across 64 cities, and with the success of the event, encouraged Mark to consider how it could be used to support **prostate cancer research**.

Now some four years on, last years' event achieved over 37,000 participants in 410 cities across 79 countries. In total, raising over \$2.3M (USD) for prostate cancer and men's health research. In 2016 we hope to see 50,000 riders in 500 cities across 90 countries take part in their local event with an ultimate fundraising goal of \$5M (USD). All these funds will be invested into prostate cancer research and suicide prevention programs by our official charity partner, the **Movember Foundation**.

### *The Waikato turns to tweed in 2016*

This year sees Hamilton and Hawkes Bay in New Zealand added to the worldwide ride list. In total some seven DGR rides will be taking place, the widest reach of the event to date in the country.

Volunteer organizing lead of the Hamilton ride Scott Wilson only recently moved to the city and immediately saw potential for a DGR here. He has ridden in some of the smaller and larger DGR events overseas, and claims the more memorable rides were not the largest. He states, "*What makes a great DGR is a geographically well laid out city that is scenic and safe to ride in, plus a classic motorcycle community that is passionate and at the ready to rally together in aid of a worthy cause. Hamilton ticks all those boxes*".

The inaugural Hamilton DGR has set itself a goal of raising \$10,000 (USD) from a participation of some 40 riders. It's a bold goal for an inaugural event, but local organizers believe the sense of community in Hamilton will make it possible.

Riders will build from 9.00am in the city before heading out for a gentlemanly slow ride throughout town. So be on the lookout for some dapper gentleman on motorcycles that morning of Sunday 25 September through the suburbs of Hamilton, or pop down to one of the key points to see the riders and bikes in person. *"We encourage all general public to come down to finish location in Hood Street from noon onwards to enjoy the visual spectacular that is an array of dapper dressed folk on their classic motorcycles, and help to further build community in the city" says Scott.*

#### **About the Worldwide Sponsors**

*Since 2013 Triumph Motorcycles, the iconic British motorcycle manufacturer, has offered its continuing support, thus making sure The Distinguished Gentleman's Ride's wheels keep spinning. It's range of modern classic motorcycles have been evolving since 1902 and are an excellent example of the DGR style guide.*

*Zenith have a longstanding heritage in supporting charity and motoring events. They offer a collection of ageless finely crafted timepieces designed for sartorially minded men and women, and perfectly fit the values of DGR.*

#### **About Prostate Cancer**

*Prostate cancer is the second most commonly diagnosed cancer in men (after skin cancer). In some western countries, more men die of prostate cancer than women do breast cancer. The Movember Foundation is the largest funder of prostate cancer programs in the world.*

#### **About Men's Mental Health**

*Suicide is the biggest killer of men aged 20-39 and ¾ of all suicides are male. 510,000 men die from suicide globally each year. That's one every minute. The results of poor mental health can be deadly. Men, regardless of age group, often don't recognize when they're experiencing a mental health issue, and may not be comfortable asking for help. The uncomfortable truth is that some stereotypical forms of masculinity are killing men.*
