Prez Report October 2016

A big thanks to all involved with round 2 of the 2016 Putoline winter road race series. The organisational side the meeting ran smoothly and to a tight time schedule with all riders getting their full quota of races. Feedback has been overwhelmingly positive with a lot commenting especially on the way the club runs a smooth fast flowing meeting but at the same time keeps the atmosphere fun. As a club we can be very proud of the reputation the series has gained over the last 4 years. Unfortunately we had a couple of big offs in the postie racers but I'm pleased to say both riders involved are on the mend. The third and final round is this coming Sunday so once again if you can assist let me know at club night. Good luck to all members racing and hopefully we can end this years series with another great meeting.

Whilst we are on the topic of volunteers the Suzuki Series organisers are looking for 8 marshals for round 1 at Taupo on 4 December. Marshals receive a \$30 petrol vouchers and lunch. This is a chance to get right up next to the action at New Zealand's premier international series. There are a couple of spots left so let me know at club night if your keen as I'd like to provide confirmed details to the organisers by mid month.

Other exciting international news is that club member Dillion Telford has secured a ride in the 2017 Italian Superbike championship. Even as you read this Dillion is on his way to Italy for an initial test with the team so will unfortunately miss round 3 of the winter series. Dillion will be holding a fundraiser at the club in November, details in the mag. If you can assist in any way big or small with the upcoming campaign it will be much appreciated.

NEXT CLUB NIGHT

6th October

Doors open 7.30pm

October display bikes:

Spring into action ...

ride your bike down

The committee will invite some bikes inside

At this month's club night in recognition of the arrival of finer riding weather, we are trying to encourage as many members as possible to ride their bike, with the tastiest put on display. All members riding to club night will receive their first drink at ½ price as an incentive. Hopefully this bribe will see the carpark chocka with exotica.

See you all at club night.

Marshal request - Round 3 @ Taupo on 9th October

I don't know whether we'll have enough marshals or not ... yet. Such is life in the amateur and volunteer racing scene. Can you please confirm asap whether you:

Will be a track marshal for round 2 ? 2. If so, do you want to stay in the free at-the-track penthouse-like accommodation on Saturday night ?

HMCC provide lunch/water on Sunday and travel costs (\$50). Be at the track by 8:00 a.m. Track marshals briefing at 8:30 a.m.

Any questions, talk to me or Tim Hedges on Club Night this Thursday or ring/text me ... provide a phone no. and I'll phone you.

Swap meet - 16 October - the Bike Show-off

No competition, no awards - just the fun of showing off club members, the restorations, the glitzy chrome, the bobber or cruiser you never bring on rides.

If you know anyone who wants to show off, tell them to bring their bike on down.

Road Riders - October's ride

Hamilton -Te Anga - Mokau

When: Sunday 30 October

Time: Leave at 10:00 a.m.

From: BP Glenview

A great South Waikato ride. Lunch at Mokau - home of the paua fritter.

Ride goes from Hamilton to just short of Oparau, Te Anga, Marakopa, Waikawau (tunnel to beach) and come out on SH 3 just a couple of kms short of Awakino.

Then 5 kms to Mokau. Total one-way distance to Mokau is about 190 km.

If, for some reason time runs short for any reason, there's the option to go to Pio Pio for lunch after coming out at SH 3 near Awakino.

The November road ride is tentatively planned to keep up our exploration of the South Waikato by going to the Centre of the North Island. The centre of the island is marked by a plinth in Pureora Forest Park. ... er ... different roads ...

Dillon & Jo on the go - Going international

As of 2017 New Zealand is going to have a new International rider who is going to step up & compete in the Italian CIV National Trophy in Superbikes!

Dillon Telford's last season has seen him gain NZSBK Superstock 1000 #2, Central Thunder Formula 1 & Moto Euro Champion, Shorai Batteries International Bears Formula 1 Champions & soon to race an Aprilia RSV4 R-FW in the motherland next year!

NZ hasn't had a Kiwi race in Superbikes Internationally for a number of years, but Dillon is so focused & determined to do well, so much so he won't have a Superbike in NZ to come back to, in fact he's sold his limited edition bike to make this happen. He will be proud to show everyone that Kiwi's are some of the best motorcycle racers in the world.

But all this won't be possible without your help!

It's a lot more money to race in Italy than in good ole New Zealand, (we don't realise how good we have it here with the cost of racing) let alone starting out there with the exchange rate from NZ to Euro.

So he needs you to be a part of this, as this is no joy ride for him, he plans on doing a lot more than a or two seasons, more than likely 7 -10 years of racing over in Italy & Europe on the International stage.

Dillon is a fully qualified & internationally recognised motorcycle technician and his work has been quoted as 'what a pleasure to watch this artist at work'.

So let's get him overseas where he can better his knowledge & skills, both in the workshop & on the race track to be the best with the best.

Telford Racing #20

Trial at Kents Quarry on 4th September.

A rather wet day at the quarry, with some tight and technical sections. No big 6 riders made the day a success as the only problem was getting Barry's van out the mud.

Scott has been waiting ages to use the "Snow" button in his Subaru, and it does work!

Pictures show Jim (top) and Neil (below)

A rather wet day at the quarry, with some tight and technical sections. No big hill climbs on this day as any attempt at a greasy slope would have been almost impossible. However, as the pictures show, there were some sizeable rocks and drops for the unwary.

Race Report HMCC Round 2 Turiana Banks

Qualifying: In qualifying I wasn't as comfortable as I was hoping to be and wasn't able to get in a good lap. I ended up qualifying 13th just in front of Aaron Lambourne.

Race one: For race one I was focusing on just feeling comfortable and trying to get into the feel of racing again. I didn't go as well as I was planning to but figured out that I was thinking about it too much and making myself tense. I ended the race 14th overall but in my class 7th.

Race two: I needed to focus on not trying so hard to be winning but to try and stay calm and relaxed to make the race enjoyable. This race was a lot more comfortable and I started to get the feel back for racing. I had a few off laps not feeling confident in passing but was slowly getting there. I ended the race in 5th in my class.

Race three: I was feeling way more focused and confident. I wasn't worried about what place I came or my times, just about riding my best. I got quite a good start and out broke aaron into turn one while gaining a few more places. I had great fight to the finish and ended the race in 7th overall but 3rd in my class. It definitely brought my confidence back and made a good end to the weekend.

Overall the weekend was good with a few ups and downs but all managed to get a good result in the end. I would like to say a huge thank you to my dad for taking me to race, To Nigel and all the sponsors. Also a huge thank you to all the marshals and officials for putting on a great meeting.

Also big thank you to: Team Aspire, Total Access, National Personnell, Wiz Knee Sliders, HMCC, SPJ Art and Design, Racefairings.co.nz, Arid Technologies, The Tile People, Wil Sport, JDAS Photos, Doug Cornes Photography

2016 Suzuki Tri-Series

A man who has been described as the “best motorcycle street racer in the world” will be coming to New Zealand for the first time later this year.

The world-renowned Cemetery Circuit races, around the closed-off public streets of Whanganui each Boxing Day, will this year feature the rider who has for a number of years been setting alight the equally-famous Isle of Man race circuit, Northern Irishman Michael Dunlop.

The 27-year-old Dunlop is the latest in a long line of exciting, headline-grabbing athletes who have been drawn to the tricky Cemetery Circuit in recent years, with Britain's Guy Martin, Liechtenstein rider Horst Saiger and British women's champion Maria Costello just a few of the other star attractions that Cemetery Circuit organiser Allan 'Flea' Willacy has managed to entice to New Zealand in recent years.
