Prez Report November 2016

Welcome to another club mag summarising another busy month for club members. Whilst winter is now behind us, spring has brought some challenging weather for riding with a mixture of warmer sunny days but also plenty of wind and rain. The final round of the Putoline WRRS unfortunately had the later with pretty challenging conditions for riders, despite this the meeting was another successful one with another large turn out of riders and plenty of smiling faces at the end of the day. With road race numbers struggling at most of the North Island events of late the club can certainly be proud of what has grown into a great series and I'd like to thank all involved from Marshals to Riders for being involved.

Whilst we drew the rain, the Shorai event at Labour weekend was bathed in sunshine both days. A

big turn out of club members were involved and contributed to some stand out performances. One of these was our newest International rider Flick on the SBR Norton, look for his write up in next months mag. Talking of our international riders, Horst Saiger has been in touch and is looking forward to getting to our December club night, when he is back for the Suzuki Series. We will be setting up the projector so Horst can show us some footage from this years IOM and talk us through a lap.

Trials and road rides have a busy month coming up so make sure you have a look at the upcoming events calendar and take advantage of the warmer weather to get to some of these events.

See you all at club night.

HMCC Bike Show and Swap Meet 2016

A sunny cloudless day greeted us early on Sunday October 16th down at the car park of the Classic Car Museum. OK, it got cloudier later on, and a chill wind blew, but hey, it was a great start and was an enjoyable day. I've liked the venue from day 1 - it's got a festive feel about it, and a good cafe. I think it works as a good partnership for the day for HMCC and the Museum.

The number of sellers was a bit down this year, so the committee will look at bolstering promotion next year perhaps. Maybe someone who is a keen promoter could take the role on for this event. If you think you could, talk to a committee member and/or join the committee.

A good variety of folk, bikers et al, turned up and walked the walk, talked the talk, or just walked and talked and looked. At the HMCC stand people would come up for a chat, and a few signed up as members. There are many bikers who go it alone out there and I, for one, never rue the day I met Bruce Delaney through a friend who got me to come down to the club when I finally got a bike after the loooooong break.

There was Bruce selling a few odds & ends. He even had a shop help from Kevin. I bought some knee/shin pads for when I want to ride in jeans and feel a bit more protected. Torpedo 7 has some under pants that have hip & tail-bone pads for wearing under those jeans too. Jeans just feel cooler than leathers/synthetic pants for hot summer riding.

Hugh Anderson, what a great ambassador for HMCC. I love seeing his Norton on display, and you can just see how well he looks after it. I have seen it on occasion on the track - I think it was at the Barry Sheene 2015? Hugh has a fantastic friendliness about him. Thank you Hugh.

Team Aspire was there in force and the boys did a great job taking a useful gold coin donation for entry; useful funds for junior rider development. With the Nationals coming up the funds are needed to get the young guys entry to races, transport & running costs. The club intends to offer some sponsorship and there are more details about that elsewhere in this magazine..

Looks like Doc picked up a trophy (below). Steve Parker was out n about doing his fabulous camera work, as you can see.

And thanks go to the organisers and volunteers that helped on the day.

Dillon & Jo on the go - Going international

As of 2017 New Zealand is going to have a new International rider who is going to step up & compete in the Italian CIV National Trophy in Superbikes!

Dillon Telford's last season has seen him gain NZSBK Superstock 1000 #2, Central Thunder Formula 1 & Moto Euro Champion, Shorai Batteries International Bears Formula 1 Champions & soon to race an Aprilia RSV4 R-FW in the motherland next year!

NZ hasn't had a Kiwi race in Superbikes Internationally for a number of years, but Dillon is so focused & determined to do well, so much so he won't have a Superbike in NZ to come back to, in fact he's sold his limited edition bike to make this happen. He will be proud to show everyone that Kiwi's are some of the best motorcycle racers in the world.

But all this won't be possible without your help!

It's a lot more money to race in Italy than in good ole New Zealand, (we don't realise how good we have it here with the cost of racing) let alone starting out there with the exchange rate from NZ to Euro.

So he needs you to be a part of this, as this is no joy ride for him, he plans on doing a lot more than a or two seasons, more than likely 7 -10 years of racing over in Italy & Europe on the International stage.

Dillon is a fully qualified & internationally recognised motorcycle technician and his work has been quoted as 'what a pleasure to watch this artist at work'.

So let's get him overseas where he can better his knowledge & skills, both in the workshop & on the race track to be the best with the best.

The Winter Road Race Series round-up

The 3rd, and final, round of the HMCC WRRS for 2016 was held on October 9th at Taupo. Given the central North Island venue, we had riders from Auckland and down to Wellington way, and places in-between, so the prize giving was held at the end of the round at the race track. I don't have any pictures of that, but we have the results and pictures of the racing courtesy of two photographers at the track: Jarrod Carruthers and Rachel Seddon.

Above: Senior class winner Damon Rees No.9 leads the pack.

HMCC SUPPORT - NZ NATIONALS

The HMCC Putoline Winter Series was a great success for the Club, and as such we would like to give something back to our up and coming riders who are competing in the NZ Superbike Champs over this coming summer season. Last year we were able to cover entry fees for 5 riders.

Applications can be made to the Committee by current club members for financial support by 20 November 2016.

In return we expect you to run HMCC stickers, provide reports for the newsletter, and you can use our Clubrooms for promotional purposes.

Aaron Lambourne @ HMCC round 3 Taupo

Man, Taupo and wet just don't go very well together huh

First of all, don't expect another crash story in this report because this was the round I was most likely to off but somehow was the only one I stayed rubber side down.

QUALIFYING: So qualifying was funny for me because I tested out these new tyres we ripped from a road bike hoping that they would act more as wets. I took it very steady for a while, letting Turiana Banks pull ahead of me, as I got more confident with myself and the tyres, I reeled her back in, passed her and did a few clear laps, still not really finding the limits of the tyres. Managed to do a half decent time somehow and landed myself in 8th on the grid, which was 3rd for my class.

RACE 1: Had an average start and kept my qualifying position into the first corner. The 5 front lot from the other class broke off from the 3 lead 250's which was Campbell Grayling, Ben Wilson and myself. I was going very well I thought as this hasn't been quite the season I was hoping for. We were really close together, probably covered by about a second. I noticed I was slowly dropping off so of course me being me I decided to make that up in one corner. I hit the white lines coming out of 5 which made me be the closest to high-siding I've ever been. After I landed back in the seat, the gap was too big so I maintained my position bringing in my first class podium of the season I think and 8th overall.

RACE 2: Kept my qualifying position again and yet again was following closely behind Ben. Coming out of turn 7 on lap 3 or 4, I had quite a go at one-upping my biggest highside moment. I fully lost the rear of the bike, sending the back wheel beside me to my right. After that it came back but went too far and was all the way to my left. After I finished screaming I got my head down again and brought the bike back home in 8th overall and 4th 250.

RACE 3: Off the start I yet again matched my grid position until Turiana had a dive attempt up the inside. I got the gas on a wee bit faster and went back round her and got the run on Ben towards turn 2. Ben had the line into 2 and I have bad memories of trying to pass Ben at a different turn 2 on the first lap around the outside so I let him have this one ;) in all seriousness Ben's riding was really good and I couldn't match it. Once again I bought home 8th overall and 4th 250. All of these 8's must have been why I had such good luck and to finally not go down during a round.

Would like to say a massive thank you to Team Aspire and all my wonderful sponsors;

Total Access, WIL Sport, Te Moenga Lodge, Wiz Knee Sliders, SPJ Art & Design, National Personnel, HMCC, JDAS Photos, Doug Cornes Photography, Craig Dawson

RIGHT: sitting down on the job ? Of course not! Relaxing between races s an important process during a race meeting.

Ben Wilson @ HMCC round 3 Taupo

QUALIFYING: In qualifying I went out behind Campbell Grayling who towed me along and allowed me to get into a rhythm and I felt as if I was getting faster each lap until I passed Campbell and was leading him round trying to push a bit harder through the infield when I had a big rear end slid which came close to ending my session prematurely so I just rode around until the end of qualifying but my early efforts were good enough to put me second on the grid in the 250 class just behind Campbell and 7th overall.

RACE 1: I got a really good start in the first race going up the inside of Shayne Lawrey and coming out of the first turn in forth I soon got out powered down to turn 2 and was pushed back to sixth I managed to hold off Campbell for another lap before he got passed me up the inside at turn 1 so I tried to chase him pushing as hard as I could but couldn't quite catch him and finished second in the 250 class and 7th overall.

RACE 2: In the second race there was a lot more rain and more standing water on the track. I struggled quite a lot in this race as I felt as if I was riding around on my own with the group in front of me getting away from me I lost my rhythm and just wanted to finish the race and hold on to second place in the points. I got passed going into turn 1 on the final lap by a Hyosung rider and after having a big look up the inside of turn 2 I decided not to do anything stupid and think about the overall points so I rode the rest of the race looking for a good spot to make a pass but couldn't find anywhere so I ended up in third place.

RACE 3: In the third race I got a pretty good start slamming the door on Aaron and ended up just behind Campbell out of the first turn and was able to chase him with Aaron Lambourne just behind me I tried to maintain a good pace and once again got passed by Esmund Williams who was riding really well in the conditions and once again ended up trying to finish the race inside the top 3 and finish the race upright which I managed to do.

A big thanks to Phil London and Cheryl London for helping us out with accomodation as well as my other sponsors:

Team Aspire, Wil Sport, Total access, Wiz knee sliders, National personnel, HMCC, SPJ art and design

2016 Suzuki Tri-Series

A man who has been described as the "best motorcycle street racer in the world" will be coming to New Zealand for the first time later this year.

The world-renowned Cemetery Circuit races, around the closed-off public streets of Whanganui each Boxing Day, will this year feature the rider who has for a number of years been setting alight the equally-famous Isle of Man race circuit, Northern Irishman Michael Dunlop.

The 27-year-old Dunlop is the latest in a long line of exciting, headline-grabbing athletes who have been drawn to the tricky Cemetery Circuit in recent years, with Britain's Guy Martin, Liechtenstein rider Horst Saiger and British women's champion Maria Costello just a few of the other star attractions that Cemetery Circuit organiser Allan 'Flea' Willacy has managed to entice to New Zealand in recent years.
