Prez Report March 2017

Hi all, my apologies for this months brief report but I'm trying to squeeze this in between packing the van and heading to Taupo for round 3 of NZSBK 2017. Steve, Rob, Sharon, Ray & Tim have done a tremendous job rallying the troops and I'm sure the meeting will be a credit to the club. Not being ones to do things by halves the club is also hosting a round of the North Island Trials Championship the same weekend, good luck to all the club members competing and the trials team putting it together.

So that's the road race and trials side of the club going full steam, the committee has been busy trying to keep our usual variety of road rides running but could really do with someone joining the 2017 committee to take on the role of road ride co=ordinator....please don't all rush at once but

rather form an orderly que to apply for this position!

I'm pleased to say everyone bar myself will be standing for committee again this year, in saying that it's always great to see a few new faces. Meetings are a generally light hearted affair and the bar is open throughout. With the AGM coming up this Thursday now's your chance to get involved.

Wells that's it from me as far as riveting president reports go, it's been a pleasure to hold the position and I thank everyone for the help & support I received to aid me doing so.

See you all at club night.

NEW ZEALAND SBK

March Club Night Road Ride.

Short-ish road ride on 2nd March (March Club Night) at 6pm, returning at 8pm to the clubrooms.

Of course everyone is welcome on this ride, but particularly those with smaller capacity bikes, new/learner riders, riders with pillions, or those just wanting a leisurely jaunt in the countryside.

Meet at BP Frankton (cnr Massey and Greenwood streets) gassed up ready to leave at 6pm sharp.

We will be stopping at a town for a short dinner stop after about 45mins at a McD's, Subway, Kebab shop or similar, before riding back to the clubrooms in time for the AGM.

The ride will be weather dependent, it will go ahead if it is a bit showery but not if it is absolutely teaming with rain. The ride will be on good smooth quiet roads.

Check with me (Bruce) on 0272003484 on the day if you are wondering if it is still happening.

Notes from Steve P

THANK YOU!

A huge vote of thanks goes out to our many volunteers and helpers that turned out at Taupo on this last weekend - you people were fantastic, you really helped us pull off a great national level event.

This is quite an achievement, it is many many years since Hamilton Motorcycle Club last ran a round of the National Road Race series.

On top of that, we the Hamilton Motorcycle Club also ran a round of the North Island Trials Champs on the same day, well done to all those involved there.

OFFICIALS

One thing this weekends events has highlighted for the club, is we are lacking in trained MNZ Officials - Stewards, and Clerk of Course - for running these high profile events. Although we did just great at providing 95% of the personnel to run Taupo, we did have to rely heavily on AMCC officials at the top level, as we only have 2 Grade 3 Road officials (myself and Stu Hamilton). If you do have the inclination to join us, the training and upgrade path is straightforward, and the time requirements are minimal. Talk to me if you are interested.

AGM This Thursday

In case you have tunnel vision and have missed the other mentions of it, this Thursday Night is the AGM, where we wrap up the year's achievements, and install a new committee.

To be accurate, most of the same committee will probably be installed, but we are going to find a new President, as Shayne has called his time to step aside, after a successful tenure that has seen the Club grow in membership and stature.

End of Road Rally

An area we have been lacking on committee, is someone to represent Road Riders, which is a strong section of the Club. The current committee members are busy putting on race and trials events, and unfortunately have somewhat neglected the Road Riding side, hence the lack of a scheduled End of Road Rally event this year.

Someone please put their hand up to join us, and help keep road rides alive on the Club Calendar!

Visitors to the Club This Thursday

There are many of the road racing fraternity staying nearby in preparation for Hampton Downs this weekend, we have invited them to a bbq at the Clubrooms on Thursday night - come on down and see who you can meet.
