HMCC President report. April 2018

Welcome again everyone.

My apologies for not making it to Quine Road Hill climb. But by all accounts it was a great day with 3 fastest times being set in 3 different classes so congratulations to all the speedsters and entrants who made the day possible, of course the time keepers and officials who ran the day.

Congrats to Dillon Telford, Steve DeGroot and Jacob Stroud who were winners in there classes at Central Thunder in Manfield. Dillon was on blistering form with a lap record. Also Chris Bridge for his placing in the super sport unlimited class. There was some great racing all weekend and Bears racing is a must for any and all to see or to be part of. Was good to see Steve Bridge racing again after his crash at Paeroa and as

usual it was an impressive display. Unfortunately his Vee Arma had other ideas which resulted in a couple DNF's.

Next up is our Kawasaki Winter Series and with entries in already it's looking to be something special. A huge thank you to Kawasaki New Zealand for there involvement in our Winter series. As a club it's a huge step up having such a High profile brand name keen on getting on board so we're hoping for big entries and lots of helpers to once again make it a success. Kawasaki will have demo road bikes at each round so tell one and tell all.

Road rides for May are: End of the Road Rally, and a ride to Port Waikakto.. The trials guys are running the 2nd round of the Hamilton Championship. Mag has the details.

See you club night, Cheers Frilly.

HMCC KAWASAKI ROAD RACE SERIES UPDATE

May 13th Taupo (2.2km Track 2)

Only 2 weeks away!!

Hope you have your entries in, or have booked your day out to give us a hand helping make the event run.

Special thanks go to Kawasaki NZ, who are providing tremendous support to the series. They will have a presence at each round with displays, and possibly some demo road bikes. Please support them as best you can.

We need as usual a good crew of volunteers to run the events. Please set aside the dates to help us make the series a success. It won't happen without you, we really do appreciate your help.

August 19th Hampton Downs (National Circuit)

September 22nd Taupo (2.2km Track 2)

Another great new development, we are starting a brand new class!

LAMS RACING

We have set up a set of rules for what will be known as the LAMS Class.

Thanks to Shayne Lawrey and Jay Lawrence for the idea and drafting the new rules, which will be posted on our website in a couple of days.

The gist of it, is a class for any LAMS approved bike, with no room for expensive modifications. You will only be allowed to update tires (road legal of course), levers, brake pads etc, and have to keep the motor in stock LAMS specification. This will be a great starter class, with a relatively low machinery and running cost. Things like tyre warmers and power commanders will be out of the question.

As all the LAMS bikes have a power to weight limit, there will be a wide variety of models that should all provide similar performance on track. Many of the models are available quite cheaply as insurance write offs, with only cosmetic damage, another way to get into the class on a low budget.

CLASSES

As per last year, we will run six classes, with 3 races each, time permitting.

To the President of the Hamilton Motorcycle Club,

On behalf of the Cemetery Circuit Team we would like to thank all the Marshalls from your club who helped us run our 1st Round of the Suzuki Series at Taupo in December 2017.

We appreciate the distance they travelled and the fantastic job they did. We are truly grateful for their service and hope we can continue to use them again in the future.

Regards

Volunteers make it happen - Volunteers are awesome

The track marshals do it tough by hanging in there wet or dry, rain or shine, and don't forget the wind burn. But they have a great view of the race, and are first on the scene to help a rider that has gone down.

HMCC's Kawasaki sponsored 2018 Winter Series - 13 May @ Taupo

Can you give a hand? Travel reimbursement and lunch & water on race day.

Save traveling down on Sunday and stay at the track accommodation paid for by HMCC. No experience required.

Contact Ray on 022 3400118 if you can help or have questions.

End of the Road Rally 4th- 6th May 2018

Last year also called the End of the World Rally and End of the Fingers Rally due to the snow.

It is unfinished business. Last year, for the first time in the illustrious history of the End of the Road Rally (how many years Steve?) nobody made it to the site on Saturday and some stayed in a motel, shame.

A promise of as many back roads as possible if you meet at Trevor Halls shop in TeAwamutu (next to the Z station - fill up) ready to leave at 8:30 Friday morning. Or go your own way.

Meeting also at the Z station near the bypass in Taupo 10:15 Friday and lunch at the Puketapu pub.

Herbertville Hotel has been booked for Friday May 4th. There are 11 beds in the hotel and the rest in the campground across the road. Let me know if you want a bed (Steve Walter 0274920095).

Saturday night camping at Ruatiti Domain. Stopping at Taihape for supplies. Be prepared to cook on a fire and strap a chair on the back.

Go to the End of the Road and stay in a hotel one night, or camp for both.

Oh, BTW, it will be fine this year. These pics are to remind us how it won't be this year. They just look fantastic

Right: EOR 2017 ... not 2018 !!!

Round 2 Brian Barnsley Memorial Trial - 8 April

Great turnout with 18 riders. At least 5 new faces, including one under 50! Great to see a youngster recognize the skill that trials gives to the dirt bike riders. A good day was had by all including the spectators who turned up at Glen coopers property at Roto-O-Rangi, south of Cambridge. Many thanks to Steve and Barry for getting things sorted.

11 Sections in all that proved the Air cooled series is a fun ride without being scary, but definitely not easy. The sections all followed the stream, with a few choice rocky bits and the challenge of getting in and out.

The weather awes ideal for this type of event. As in not too hot, and not too wet.

Next trials is on May 6th at Longview farm, Te Miro.

Keep yer feet up!

Quine Road Runs

The end of April has seen the Quine Road Hillclimb looking like it might be showers slowing the day down. Yet, come the day, there's been a damp road but dries out mostly by the time the tyres warm up for a run.

This year there were 24 riders in the various classes: Lites, Motard, Open Race, Post Classic and Road bikes. There were 3 new course records set: Josh Keeling on his Kawasaki Ninja 250 (Lites), Nick Kampenhout on the Husqvarna V701 (Motards), and Steve Bridge on his Ducati SS1000 (Road).

There was a good variety of riders and machines. A few riders new to the event. Hope to see you again.
Below: Current record holder in Post Classic, Dave Lewis

It's an event that suits everyone because each rider rides the climb on his own and makes it his or her own challenge.

I asked one spectator who rode to the event on his bike if he had been tempted to enter. He said that after he got there he was impressed by how rider friendly it was and if he'd known how it was he would have entered; see ya next year!

I was happy to have another go after a two year break from the event on a new old bike: the BMW R1200ST was quite fun for a sports tourer, RIP the VTR1000. If anyone is interested in owning the VTR, come see me.

Thanks you guys for running another great event.
