

HAMILTON MOTOR CYCLE CLUB INC

MARCH 2021

CENTENARY CELEBRATIONS

WOT'S THIS? AN AEROPLANE ON OUR COVER?

THIS IS THE TIGER MOTH WE HAVE ARRANGED TO FLY TO OUR ANNIVERSARY DINNER ON SAT 3RD APRIL, TO COMMEMORATE 101 YEARS SINCE HMCC ARRANGED THE FIRST FLIGHT EVER TO LAND IN HAMILTON, AT OUR CLAUDELANDS GRASS TRACK MEETING

“AIMS AND OBJECTIVES:

TO PROMOTE MOTORCYCLING FOR THE GOOD OF MOTORCYCLING”

THE OPINIONS AND VIEWS OF THE CONTRIBUTORS ARE THOSE OF THE INDIVIDUAL AND NOT NECESSARILY THAT OF THE EDITOR OR THE HAMILTON MOTOR CYCLE CLUB INC.

Prezzo Report

Hi all, well I thought I had sent this while on the ferry on the way down to SOT but found out it had not sent so will get this one away now.

First and foremost is the Centenary event and then NZSBK and both will require help to make it happen.

The Centenary requires help over the course of the show and Bruce Weeks is the go-to for that, and NZSBK also needs help. These things will happen but not without your help so please get off your backsides

at put your name forward. Don't assume things will work out-stand up and make the shit happen. It seems the older stalwarts of the club are bearing the load and this should not be the case so get in and help.

Quine Rd is on 9th May and there are trials happening so look inside for more info. Sorry not anymore info but will have more to say on club night.

See you Thursday

Filly

NEXT CLUB NIGHT

March 4th

Club Night

Race Bikes fresh from

clubrooms 7.30

Road Riders Corner

February Road Ride

Another one that didn't happen. We desperately need new blood on the committee to kick road riding back into gear. I know we have a lot of dedicated road riders, they just need some co-ordinating!

April or May, we will have our End of Road Rally - camping weekend. There are possible destinations in mind, we just need to set a date around other events.

This photo is allegedly the first Hamilton Club ride, or at least the ride where the idea to form the club was made. 1918, top of the Kaimai's, sidecars and guns! To be honest, very hard to verify at this stage, but the photo and story have been circulating in the club since at least the 50th anniversary

ROAD RACING COMING UP - WE HOPE!

NZ SBK ROUND 3: 6-7 MAR 2021 Motofest, Hampton Downs Motorsport Park

NZ SBK ROUND 4: 13-14 MAR 2021 Bruce McLaren Motorsport Park, Taupo

Hosted by us! Our Club is on show to the NZ Motorcycle community, and we need your help to make it a fantastic show. Please offer your services, or agree if shoulder tapped to help us out this weekend.

HMCC Quine Rd Hillclimb

May 9th?

CENTENARY - ONLY 4 WEEKS AWAY!

Our biggest event for years is only 4 weeks away! Only a year late, we have no excuse for not being ready

While forward planning and bookings have been in place for a long time, now is the time we need to work on the finer details to make this event something special, that will be remembered fondly for many years to come..

Now is the time we need to get together to make these great plans happen. Starting with our next Centenary Committee meeting, next week:

TUESDAY MARCH 9th at Clubrooms

You may volunteer if you are interested, and we may invite you personally too, but please turn up so we can divide up the tasks so no individual is overloaded. Now is the time the core committee needs the support.

Can you contribute to any of the following?

One Hundred Year Journey Show at the Classics Museum, opening on March 27th.

We have the bikes arranged for display, and the approximate layout. We need help with the logistics of getting the machines here, and putting up the surrounding displays, and filling in gaps etc.

Saturday 3rd Road Trial

I believe one has been written up already, some help with manning checkpoints.

Saturday 3rd Centenary Dinner

We'll be needing help with setting up the venue, and some sober drivers to drive the free minibus' we have hired.

Sunday 4th Hood St Photo recreation, and Kaimais Ride

Help with pre-publicity, set up on the morning, the ride, and the BBQ back at Clubrooms.

Monday 5th Hood St Photo recreation, and Kaimais Ride

Help with pre-publicity, set up on the morning, the ride, and the BBQ back at Clubrooms.

**Hamilton
Motor Cycle

100TH
Anniversary

Anniversary Show

March 27th - April 11th

The Museum is located right off State Highway 1
on Railside Place, Dinsdale, Hamilton

Hamilton Motorcycle Club's 100 Years Journey 1920 - 2020

Hood Street, 1920

Covid disruptions have plagued our 2020 plans, and have resulted in the following revised schedule. Let's hope for no further disruptions!

2020

28th Nov - 8th Feb

Founders Theatre Racing Respective and Art Show at Waikato Musuem, Grantham Street, Hamilton.

The Artworks purchased with the funds raised by the Founders Theatre racing will be on show,.

2021

March 27th

Opening of Centenary Bike Show at the Classics Museum.

March 27th - April 11th

Centenary Bike Show at the Classics Museum.

(Load in/set up days 25th/26th for those involved)

March 28th (Sunday)

Swap Meet in conjunction with the Waikato Classic Club Road Trial. The Dave Connolly Memorial Trophy will be on the line for this one.

April 3rd (Easter Saturday)

April 3rd (Easter Saturday)

The Centenary dinner at the Hangar, Te Kowhai airfield from 5pm Saturday evening, featuring a fly in of Tiger Moths to celebrate 101 years since the first aeroplane landing in Hamilton, organised by Hamilton MCC.

Sunday 4th, 9.00am

Commemorative Road Ride and photo recreations will start with a meet up in Hood St from 9.00am. Bring out you vintage machinery, or your modern stuff, but come on and put on a good show.

From there, there will be a vintage-friendly ride to the top of the Kaimai's, where our club was first mooted, the return to the clubrooms for BBQ, Beers and reminiscing.

Monday 5th, 9.00am

Trials demo/try out/show off your vintage machinery day at Kimihia Lakes.

Suitable for all classic trials machines and skill levels

Sneak Preview of Machines in our Show

Well we have quite a line up covering the 100 (101) years, this will be quite a display. There are some 55 machines booked to display, I will just run through some of the highlights.

We have found many machines that were actually used in our events, and if we can't find them, we can usually find something similar.

1920ish Douglas.

One Of the great characters in our club history, is former bike shop owner Bill O'Brien, who raced his Douglas over several decades - bit like Bert Munro, constantly fiddling and updating. The flat twin design was particularly suited to flat track/grass track racing, which Bill excelled at on his trusty Duggie. He also famously, in many of our photos, rode the Tauwhare Hill Climb, and event it suited somewhat less. But not for want of trying, he ended up fairly successful there too. By then his beast had forgone the luxury of a clutch, and race starts were effected by a couple of mates holding the rear wheel off the ground, and dropping the machine when the flag dropped. Netted two helpers becoming 9-fingered! Anyway, we tracked Bill's machine down to Southwards museum, but in restored condition, nothing at all like the beast he raced so successfully. However we have found another restored machine locally that will give you the idea of what he started with. There are several photos showing Bill in action.

1927 AJS Big Port.

Many of you will be familiar with this machine already. It was ridden extensively and successfully by the late Don McLaren in the 30's and 40's. Another late Life Member, Errol McCabe did a thorough ground up restoration, and it is now safely in the hands of his son Neil, and is brought out at many classic meetings.

1932 Norton International model 30. 500cc single OHC.

This machine used with considerable success by many riders including Hamilton MCC's Tom Lamberton. It was used extensively in racing events on both beach and road with no small measure of success. In 1950 Tom Lamberton finished second in the 500cc race at the Hamilton 100.

1939 Velocette Mk8

Sid Jensen rode this machine to victory in the 1949 Hamilton 100 Junior.

1948 Manx Norton

Paul Clarkson (Auckland) took this actual machine to victory in the 1950 HAMILTON 100

1958 Triumph T20 Tiger Cub 200cc

Jack Beaumont modified this machine from standard into full trials specification and rode it competitively in club trials of the period. Purchased from Jack in 1971, it was used successfully by the new owner Roy Long in club trials through to 1973 when he also sold it to Tom Brodie (Roy purchased a new Yamaha TY250!) Tom owned and used it until 1974/75 and he again sold it on to Martin Hawkes.

Martin was tragically killed in motorcycle accident after stripping the cub ready for a full rebuild. It was sold on by Hawkes family to unknown Auckland purchaser.

The machine disappeared for many years until it was discovered in 2002 in a basement in Auckland by original owner Jack Beaumont. It was still in bits, severely deteriorated and many of the specialist trials components missing.

Jack immediately offers the bike to Roy Long and he purchased it again!

The bike was restored over next couple of years to basically as it is now. Still some work to be done but I fired it into life Nov. 2004 after it had been laid up for approx. 29 years!

1959 BSA Bantam Special

Originally developed and ridden by Errol McCabe. Further modified and ridden by Errol from 1966 to 1974. Many successes including the 1968 Scott Trials and the 1969 North Island Championship. Rediscovered and brought back to life in 1990 and has many more successes in the hands of Neil McCabe, including twice winning the Franklin Cup and Father's Day Classic Trials.

1961 500cc Manx Norton

Purchased by Hugh Anderson direct from the factory on the 17th of May 1961.

22nd May - Tubbergen Holland - 1st and record lap.

28th May - Madrid Spain 2nd

IOM practise positions. June 5th - 4th: June 7th - 3rd : June 10th - 2nd

Slid off at the Goose Neck on the fifth lap.

19th August - Brands Hatch - 6th

26th August - Bilbao Spain - 1st and Record lap.

During 1961 - 62 New Zealand season won every race entered but one.

During 1962 - 63 New Zealand season won every race entered.

1969 Husqvarna 400cc

Won New Zealand and North Island Moto Cross, miniature TT and Grass Hill Climb Championships in the hands of Hugh Anderson.

Very successful in club meetings [at Hamilton club events](#) and throughout the North Island. It was sufficiently adaptable to gain high placings in major trials competitions.

1968 250cc CZ.

Purchased directly from the CZ factory by Hugh Anderson. Many Overseas and French successes, as well as:

North Island miniature TT Champs;

North Island Scramble Champs;

New Zealand 350cc Grass Hill Climb Champs;

...and success in many Hamilton Club events.

Plus many more interesting machines

Hamilton Air cooled Trials series round 2

Another visit to Kimihia Lakes Adventure Park with 10 sections in and around the hilly pine forest.

Section one was a nice easy intro and ideal for any mini's to play on. The next 5 sections were new areas and the final 4 back around the quarry. A short ride up the main track found sections 2 and 3 where a selection of dead trees and off camber turns in long grass need a careful walk through to be cleaned. Section 4 was a classic hill climb with a large log at the top for the 'A' grade riders. The next challenge at section 5 started with a steep bank up to a gnarly off camber tree and bank, leading in the cool forest for section 6. A collection of trees and banks with a coating of pine needles caught quite a few riders who lost points with disappearing traction.

A short trail ride led to the quarry where 7 was familiar bank and tree special. Section 8 had been used before, but was run in reverse. This provided a popular 'bank and log' combination, for those who enjoy short flights. Section 9 was further up the track and a play on the bank. The final section 10 was again the reuse of a section from last year. The difference with the last four sections was the fact that it was dry instead of the mud bath from previous trials.

On a very hot day, the welcome cool of the forest made for a great trial in all classes that attended. There was a total of 21 riders, which is

down on the last few events, but had clashed with other commitments for many of the usual attendees. Points are awarded towards the Brian Barnsley Memorial series for air-cooled bikes and the Errol McCabe memorials series for twin shock drum brake bikes. As always there is an easy line for anyone wanting to start out their first trial that will be no harder than an trail ride.

The next two trials are part of the club championship on Feb 28th and 21st March.

Enquiries on Trials to tony.perkins@xtra.co.nz

Or catch me at Club night on the first Thursday of every month.

Cheers and keep yer feet up

Tony

HMCC AGM NOTICE 2021

MAY 6th 2021

A quick note of explanation;

We usually hold this at the March Club Night, but as the Treasurer is out of town that week, and with the NZSBK and Centenary celebrations in full on mode over March and early April, we have decided to delay the actual AGM and Committee elections until the May Club night, once all these events are done and dusted.

Views from the cockpit of the Tiger Moth coming to our Centenary
