## Prezzo Report

Firstly, a big thank you to all those who helped with the Taupo round of NZSBK. Thanks, Catherine, for all your hard work in getting it all to fruition. All the feedback thus far has been positive and it will be an interesting de-brief when the time comes around, and well done to our club members that raced over the weekend. Even if the results didn't go your way it is all part of racing. If we didn't have bad days, then how would we know when a good day came along. Just keep working at it.

Centenary celebrations have kicked up a gear with the starting of the bike show and swap meet, remember to contact Bruce Weeks should you

have a couple hours spare to help man the museum exhibits. With some great examples of motorbikes on display, historic video footage to view and some great articles to read over its definitely not worth missing. The show runs for 3 weeks and catalogues the club fantastic and varied history.

\This is just the start of it though as Easter weekend we will be having the Centennial dinner at the 'Hanger' with a fly over of a Tiger Moth bi-plane to recreate the one we landed at Cluadelands (first one ever in Hamilton). Also, Quine Rd Hill Climb is on again this year- Sunday May 9th, look forward to seeing some impressive wheelies over the top of the finish line If you have never done Quine Rd then get along and test the hill.

Well, there is lots to do, lots to look at, lots to gain, lots to celebrate but I will leave you with this thought- Be part of your club not just a member of the club.

Cheers Frilly

## Road Riders Corner

### April Road Ride

At last we have a genuine road rider event!

Yes, our Annual Road Trial, The Anzac, is being run as part of the Centenary Weekend.

If you have a road bike, come meet with us and have a go, they are not difficult, and guaranteed to introduce to fantastic roads in your backyard that you probably didn't know about.

For those that don't know, it is all about following a set of route instructions, and achieving a pre-determined average speed. Riders are set off at 1 minute intervals, so you are usually seeing plenty of the other riders about. There will be a lunch stop with great food, and we'll get you back in time to get ready for the Dinner.

Our End of Road Rally - camping weekend has a couple of possible destinations in mind, still having trouble finding a date around other events.

## CENTENARY - IT'S ON!

Our biggest event for years is happening now! Only a year late, we have no excuse for not being ready ....

While forward planning and bookings have been in place for a long time, now is the time we need to work on the finer details to make this event something special, that will be remembered fondly for many years to come..

Now is the time we need to get together to make these great plans happen. Starting with our final Centenary Committee meeting, next week:

### TUESDAY MARCH 30th at Clubrooms

You may volunteer if you are interested, and we may invite you personally too, but please turn up so we can divide up the tasks so no individual is overloaded. Now is the time the core committee needs the support.

Can you contribute to any of the following?

**One Hundred Year Journey Show** at the Classics Museum, opening on March 27th.

We have the bikes arranged for display, and the approximate layout. We need help with the logistics of getting the machines here, and putting up the surrounding displays, and filling in gaps etc.

### Saturday 3rd Road Trial

I believe one has been written up already, some help with manning checkpoints.

### Saturday 3rd Centenary Dinner

We'll be needing help with setting up the venue, and some sober drivers to drive the free minibus' we have hired.

### Sunday 4th Hood St Photo recreation, and Kaimais Ride

Help with pre-publicity, set up on the morning, the ride, and the BBQ back at Clubrooms.

### Monday 5th Hood St Photo recreation, and Kaimais Ride

Help with pre-publicity, set up on the morning, the ride, and the BBQ back at Clubrooms.

# 100 Year Journey Motorcycle Show

A year on from our 100<sup>th</sup> year and our postponed Centenary Celebrations are finally underway. The first event is the Motorcycle Show, being held at The Classics Museum (located in Railside Place). Hamilton Motorcycle Club and the Waikato Classic Club had a special preview last Friday night.

A diverse array of machines will be on display spanning our 100 years. All aspects of our clubs motorcycling and motorcycle competition from 50cc frenzy bikes to 1000cc superbikes are on display along with information cards and banners displaying our history. There is also the usual Museum displays every corner of the museum is filled with motoring memorabilia.

A big thanks to Hamilton Motorcycle Club and Waikato Classic members who have bought this event together. Please set some time aside this Easter Weekend and come along to support our Clubs and the Museum before it is close on the 11<sup>th</sup> April.

# Centenary T-Shirts

Designs have been finalised, and will be produced in this fabulous range of fashion colours!

All for the princely sum of just \$25!

We would like to get pre-orders, so you can ensure you get yourself the exact colour and size combo you wish for, as we do not want to hold a lot of stock, but we will have some available on Easter weekend for the dis-organised.

# Waikato Classic / Hamilton Motorcycle Club Swap Meet 2021

The weather was favourable and a reasonable group of sellers were set up and ready before I arrived at 8:30. I did not have a shopping list, but as is often the case with these types of events, sometimes you do not know you need something until you see it. The first thing I spotted was a bead breaker which was something I had thought about buying, thanks Frilly. I then did a quick whip around the stalls to check for any bargains that wouldn't last long. Nothing leapt out at me although there was a reasonable selection of bits and pieces. Tim the Bartender had a tired Husaberg project bike. I definitely don't need another project (I don't think it would be too welcome), but I would like an upside down engine Husaberg. I was very close to taking it home.

Not the sizable swap meet of the days of old but as more old bikes are reassembled rather than disassembled I guess the pool of old parts and guys peddling them is decreasing. In saying that, I will happily be proved wrong, so please, drag out the bits you are not using and projects you won't get around to finishing and move them on next year.

## HMCC Trials Champs Round 2

Sunday 21st march and time to visit Auckland area for our northernmost trial.  
Ray Skinners Property is in the Bombay hills with a perfect rocky stream to play in.  
Unable to make it down from the house, I have relied on Virgil Robinson to supply  
some great photo's of the days challenges.

Riders turn out was a brilliant 35, so a very successful day all round.

Cheers

Tony

# HMCC AGM NOTICE 2021

## MAY 6th 2021

A quick note of explanation;

We usually hold this at the March Club Night, but as the Treasurer is out of town that week, and with the NZSBK and Centenary celebrations in full on mode over March and early April, we have decided to delay the actual AGM and Committee elections until the May Club night, once all these events are done and dusted.

### From the club's Historical Archives:

Sid Jensen, Hamilton 100 Winner in the 1949 Junior event, with his machines and many trophies collected.

He went on to ride at the Isle of Man.
